Appointment of Year 5/6 Teacher at Filleigh Community Primary School

Filleigh Community Primary School is in the village of Filleigh which is located on the old A361 between South Molton and Barnstaple. The School is part of a successful, established five school federation with, Copplestone Primary School, Kilmington Primary School and Spreyton Primary School.

Filleigh is a small school set in stunning rural surroundings with a building comprising 4 classrooms, an art/store room, a PPA room, a library, staffroom and office. We are fortunate to have a good sized playing field and an extensive environmental area. An excellent village hall is situated behind the school and this is used for curricular and extra curricular activities.

The school has 75 pupils at present taught in four classes, a Reception class, a Year 1/2 class, a Year 3/4 class and a Year 5/6 class. We also have pre-school that runs as a foundation unit with our reception aged children. We have four class teachers with specialist teachers covering PPA and enriching provision. We have several part-time, very experienced teaching assistants who work throughout the school supporting children in a variety of ways. All adults in the school provide positive role models for the children and expect children to behave to a high standard.

First and foremost we are looking for someone who can demonstrate that they are an excellent classroom practitioner. We use the Little Wandle phonics scheme so knowledge of this is desirable but not essential as all training will be provided. The Executive Head and Governors are committed to CPD and are keen to support candidates who wish to develop their professional practice and careers.

Visits to the school are welcomed. Please call the school office on 01598 760295 to arrange an appointment.

The closing date for applications is midday on Monday 13th May 2024.

Interview date Monday 20th May 2024.
